BEAUTIFUL INVENTION.

The Newark Advertiser says that Mr Crane has recently added another ingenious contrivance to his Twelve Month Clock. It shows now the day of the month, and also the year, and exhibits the sun and Moon rising and setting every day in the year-with the most undeviating accuracy and regularity. The Moon as she revolves in her orbit is made also to revolve upon her axis, showing every day, with equal accuracy, her different phasis The apparatus used for this purpose is exceedingly simple, and is by no means liable get out of order.

GENTLEMEN:-During last Winter and Spring. I was so troubled with a pain in my breast as to render me unfit for the duties of my office; and hearing your Jew David's or Hebrew Plaster highly recommerded for similar cases, I was induced to give it a trial. I had worn a plaster upon my breast but a short time, when all pain left me. and I was enabled again to engage in the labors of the office. I would also state, that my sister residing in Steubenville, in this State, has received Yours truly, much benefit from its use.

A KNOWING CLASS.

There are some men, who, (judging from their own opinions of themselves,) sit complacently on the very summit of Wisdom. Ask one of these modern Solons what he thinks of Wistar's Balsam of Wild Cherry, and he will at once tell you it is a quack numbud! This sweeping assertion he makes without any knowledge whatever of its being prepared by a regular and a veteran physician, or of its universal success in the cure of all affections of the Pulmonary Organs. There are many who decry all patent medicines merely be-ent time, with particular accounts of all the cele-brated battles--by John Frost-with numerous loved mother or sister of one of these conceited wise ones to be restored from a lingering sickness to entire health, by the use of Wilstar's Balsam of Wild Cherry (as many a one has been,) such persons could scarcely muster moral courage sufficient to allude to it, when others were maliciously

lenouncing the medicine as worthless. The genuine Wistar's Balsam of Wild Cherry is sold in Fayette by Dr. Wm. R. Snelson. Also, by R. P. Hanenkamp, Glasgow. Or See advertisement in another column.

PAIN CANNOT EXIST. A gentleman in the south of Europe and Palestine, in 1830, heard so much said in the latter place in favor of JEW DA VID'S PLASTER, and of the (as he considered) miraculous cures it had performed, that he was induced to try it on his own person, for a lung and liver affection, the removal of which had been the chief object of his journey, but which had resisted the genial influ-
